## EXPERIENCE

### **Qonceptual**, Mt. Pleasant, SC — *Quality Assurance/Software Developer*

MARCH 2015 - PRESENT

- Served as a member of the software development team as a Quality Assurance tester and Developer on projects for both Government and Commercial clients.
- Performed quality assurance testing on Veterans Benefits Management System(VBMS).
- As a team member, he used Protractor to automate the testing of the project and upon finding defects would correct the code.
- Engineered an iOS application written in Swift 3.0 for a commercial client. This particular application allows the scanning of a barcode to display important patient information for a provider.
- Worked closely with commercial clients to ensure that the development project(s) they requested were done correctly and efficiently.

### **Construction Professionals Inc**, Mt. Pleasant, SC — *Superintendent*

AUGUST 2008 - MARCH 2015

- Supervised multi-million dollar projects, worked hard to finish the projects early and under budget. Managed a team of 1-20 subcontractors.

### **Carolina Trim Company**, Mt. Pleasant, SC — *Owner/operator*

OCTOBER 2005 - AUGUST 2008

- Ran the day-to-day operations of running a company and managing the account while also installing interior and exterior trim.

### **Tidal Wave Watersports**, Mt. Pleasant, SC — *Captain/Manager*

APRIL 1998 - OCTOBER 2005

- Managed the rental business and was Captain of the parasail boat from 2000-2005. From 1998-2000 was a team member helping to run the jet ski rental business.
